

Attention Smartphone Users!

Access inventory availability & prices anywhere, anytime using your phone!

iPhone Users

1. Do not go to the App Store or other app provider. Instead, use the Safari web browser and go to www.brehobnursery.com. You should see the Brehob logo with the word 'Login'.
2. Put an image of this page on your Home Screen by touching the box with the arrow on the bottom of the screen. Then touch, 'Add to Home Screen'; or you could simply 'bookmark' the website.
3. You can also program your phone to remember your username and password by going to Settings, then Safari, then turn-on AutoFill, then turn-on Names and Passwords.

Android Users

1. Do not go to the Marketplace or other app provider. Instead use your web browser and go to www.brehobnursery.com. You should see the Brehob logo with the word, 'Login'.
2. Put a shortcut on your desktop or bookmark the page for easy access.
3. You can program your phone to remember your username and password. Just open the browser, select Menu, select More, select Settings and check both Remember Form Data and Remember Passwords.
